# MEET THE TEAM

**Paul Griffiths**  
Managing Director

With over 25 Years' Experience in the Industry, Paul has worked on some of the most prestigious buildings in the UK, From full High-Rise Installations such as 30 St Marys Axe (The Gherkin Building), Warehouse and distribution centres, Government buildings, and high end Domestic and Residential properties.

Paul started in the industry at the tender age of 16 and spent his first 3 years as a retained Fireman serving Hertfordshire fire and rescue service so has experienced first-hand how to keep his cool in the most stressful situations, and yes he has rescued a cat out of a tree. With a technical background Paul has covered a magnitude of different projects over many different sectors.

"I have 4 kids and am a real family man at heart. I love to play golf (badly) and can consistently hit a shank with my driver."

**Stewart Clark**  
Commercial Director

With over 15 Years' experience Stewart has had a hands-on approach in the industry. Starting on the tools at age 16 Stewart has the on-site experience that is only obtained from working in some of the most high pressured, fast pace sites across the UK. Having this Ground level up approach in fire protection installation has given Stewart a wealth of knowledge that can only be obtained from working on site.

Stewart can easily identify issues before they become a problem which would otherwise be very costly noticed later down the line. He has single handily installed fire protection systems to some of the most prestigious projects in the UK.

"I have 3 children and have learnt that my favourite past time is taking them to the park and stopping in the pub on the way home."
